an Art Dealer.

LONDON, June 24.-The Times says today that the Topf armor, which early in the year was the medium for a suit between the Earl of Chesterfield and George R. Harding, an art dealer, has been sold to an American.

The Topf armor, inlaid with gold, and said to have been made for Lord Chesterfield's ancestors by Jacob Topf, armorer for Queen Elizabeth, was to the best method of showing school spirit have been sold at the auction sale of the effects of Holme Lacy, Herefordshire, February, 1910. Immediately before the auction, however, Lord Chesterfield disposed of it privately to Harry Harding, son of George R. Harding, for \$10,000. Later Chesterfield holidays, during the Christmas holidays, armor had been purchased by fraudulent representation; that instead of it being secured for a private collector who would only pay \$10,000, in reality it was for the art dealer. He alleged also that its value was about \$50,000. Lard Chesterfield won the suit and got back the armor, but he was compelled to pay back the \$10,000 with interest at 5 per cent, and in addition the amount paid by Harding for repairs to
